(a) whether Government have outlined any scheme in selected urban areas to extend basic amenities to these area;

(b) if so, the details thereof;

(c) whether there are any schemes to assist slum dwellers who have been evicted from urban settlements;

(d) if so, details thereof;

(e) whether Andhra Pradesh Government has sought any funds for slum improvement in Hyderabad; and

(f) if so, the details of such proposals?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI P.K. THUNGON): (a) and (b) "Urban Development" is a State subject and specific schemes of slum clearance/improvement are formulated and implemented by the State Governments in accordance with their needs and priorities. There is a scheme for slum improvement in the State Sector under the Minimum Needs programme called "Environmental Improvement of Urban Slums (EIUS)". Under this scheme basic amenities like low cost water supply, drainage, community bains and latrines, widening and paving of lanes and street lighting are provided in urban slums. The slum improvement projects under EIUS scheme are required to be taken up by the State Governments within their State Plan provisions. The cities and areas selected under the scheme from time to time are also determined by the State Governments.

(c) and (d) The present Policy of the Government lays emphasis on the environmental improvement of slums rather than clearance and relecation. Under the State Sector Scheme of Environmental Improvement of Urban Slums, basic amenities are provided. However, isolated cases needing slum clearance may arise in some areas but it is for the State Governments to effectively deal with the situations and formulate appropriate projects depending on the ground realities.

(e) and (f) The Government of Andhra Pradesh is already implementing a slum improvement project in Hyderabad with the assistance of Overseas Development Assistance (UK). The project started in 1989-90 and is likely to be completed by March, 1995. The revised cost of the project is Rs. 42.75 crores. The main objective of the project is to improve the quality of life for 4,50,000 persons living in 300 slums of Hyderabad through infrastructure improvement, health care and socio economic programmes. An amount of Rs. 31.5 crores has been spent upto March, 1994.

Unauthorised Construction and Encroachment of Lands

2589. SHRI RAHASBIHARI BARIK: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that unauthorised construction and encroachment of Government
land is increasing in the National Capital region;

(b) if so, whether Government have received any report in this regard during the
last one year; and

(c) what are the details of the steps taken
to check the unauthorised occupation and encroachment?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI P.K. THUNGON): (a) to (c) The Government has no information in regard to unauthorised construction and encroachment of land in the National Capital Region. Land development and construction activities are mainly controlled by the respective State Governments and the checking of unauthorised construction and encroachment would fall within the purview of the participating State Governments.

दिल्ली गोल्फ क्लब

2590. श्री महेश्वर सिंह: क्या शहरी विकास मंत्री 18 मार्च, 1994 को राज्य सभा में तारांकित प्रश्न सं. 283 के उत्तर को देखेंगे और यह बताने की कृपा करेंगे कि:

(क) क्या दिल्ली गोल्फ क्लब को पट्टे पर दी गई उस भूमि के पट्टे का नवीकरण कर दिया गया है, जिसकी पट्टे की अवधि 31.12.1990 को समाप्त हो गई थी;

(ख) यदि हां, तो यह नवीकरण कितने वर्षों के लिए
